

Red Team monitoring questionnaire

SMART

Science and Mathematics Advanced Research for good Teaching

1. **Institution**

.....

2. **Role/Function**

.....

Website

3. **Is the website structure clear?**

Contrassegna solo un ovale.

- Yes
- No
- Non applicable

4. **Is the websurfing easy?**

Contrassegna solo un ovale.

- Yes
- No
- Non applicable

5. **Is the information exhaustive?**

Contrassegna solo un ovale.

- Yes
- No
- Non applicable

6. **Is it easy to find the information?**

Contrassegna solo un ovale.

- Yes
 No
 Non applicable

Platform

7. **Is the e-learning platform easy to use?**

Contrassegna solo un ovale.

- Yes
 No
 Non applicable

8. **Are the exercises easy to understand?**

Contrassegna solo un ovale.

- Yes
 No
 Non applicable

9. **Is the structure complete in its arrangement?**

Contrassegna solo un ovale.

- Yes
 No
 Non applicable

10. **Are the exercises coherent with the stated objectives?**

Contrassegna solo un ovale.

- Yes
 No
 Non applicable

11. **Is the chosen methodology functional to help the students develop competences which can be more easily applicable to the work environment?**

Contrassegna solo un ovale.

- Yes
 No
 Non applicable

Report on the topic

12. **Is the aim clear?**

Contrassegna solo un ovale.

- Yes
 No
 Non applicable

13. **Are the considered competences appropriately stimulated?**

Contrassegna solo un ovale.

- Yes
 No
 Non applicable

14. **Are the topics of the Science and Maths exercises complete?**

Contrassegna solo un ovale.

- Yes
 No
 Non applicable

Untitled section

Report on the competences

15. **Is the methodology used to develop the scientific competences clear?**

Contrassegna solo un ovale.

- Yes
 No
 Non applicable

16. **Is the methodology used to develop the mathematical competences clear?**

Contrassegna solo un ovale.

- Yes
 No
 Non applicable

17. **Are the experimental activities for Science clear in the procedures?**

Contrassegna solo un ovale.

- Yes
 No
 Non applicable

18. **Is the structure of the Maths modules usable and coherent with the objectives?**

Contrassegna solo un ovale.

- Yes
 No
 Non applicable

Report on the teacher's training needs

19. **Are the survey conclusions clear?**

Contrassegna solo un ovale.

- Yes
 No
 Non applicable

20. **Are the aspects considered in the survey exhaustive?**

Contrassegna solo un ovale.

- Yes
 No
 Non applicable

21.

Being the basis on which the learning materials have been constructed, do you think that the administered questionnaire is coherent with the Project objectives?

Contrassegna solo un ovale.

- Yes
- No
- Non applicable

22.

Do you think that the examined sample is sufficient to get usable data?

Contrassegna solo un ovale.

- Yes
- No
- Non applicable
